Public Comments—Open Forum

Bill & Jennifer Lange addressed the Council concerning several issues.

- They feel that the public/Citizens should be notified of waterline breaks, boil advisories, and other City alerts some way other than by social media, stating that everyone does not have that access.
- Unable to get confirmation for the date and time of Council meeting, no call back to their calls.
- As taxpayers they voiced their concerns about seeing the City trucks at locations they feel are not work related.

The Council thanked the Lange's for coming to the Council meeting and advised that the mentioned issues would be addressed.
